How to Set Up Your “MYPTC” Password

1. Go to the Pulaski Tech website (www.pulaskitech.edu).

2. Click on “MYPTC”.

3. Click on the Red “Help” Tab.
4. Under the “Help” tab, type in your personal information and create a new password. Make sure that your password is 8 characters in length, contains at least one number and one UPPER CASE letter. Then, click “Display Username, Student ID and CHANGE my password”.

5. To log into your account repeat Steps 1 and 2, type in your username and password, and click “Login.”
